**Date: January 28, 2012**

**Time: 10:00 a.m.—4:00 p.m.**

**Place: Progressive Spiritualist Church**

**Cost: \$40 for Members; \$55 for Non-Members**

**Deadline to Register: Wednesday, January 25, 2012**

Explore divination techniques for yourself. In this workshop led by Rev. Mike Mellott, you'll work on trust issues and learning to use your intuition for yourself. Some of the topics to be covered are guides, intuition, dream interpretation, and precognition. This class is geared for those who want to use their intuitive abilities for their own private use, but those who do readings may also find it valuable. If you are currently using tools for divination (cards, pendulums, etc.) bring those to class.

There will be an hour for lunch. Feel free to brown bag it or visit one of the near-by restaurants.
