Morning Workshop—Evidential Mediumship Techniques

9:00 a.m.—11:30 a.m.

Evidential messages from Spirit are key to providing a fulfilling experience for your reading clients. In this experiential workshop, learn several new techniques to enhance your ability to bring evidential messages in your mediumship. This workshop is recommended for students who already familiar with connecting with Spirit and who have had some experience in message and/or reading work. Explore these techniques in a supportive environment and leave with tangible ways to further your spirit connection!

Lunch (on your own): 11:30 a.m.—1:00 p.m.

Book Signing: 12:30 p.m.—1:00 p.m.

Afternoon Workshop—Invoking the Archangels

1:00 p.m.—3:30 p.m.

The beautiful and inspiring archangels are waiting for us to invoke them, ready to assist us in a deeper understanding of our own powerful link to Divinity! In this experiential workshop, you will learn:

- The angelic hierarchy and where the archangels fit into it
- The individual archangels most prevalent in today's world and their specific personalities and attributes
- Which archangel energy to invoke for specific needs and situations
- The archangel that is closest to your own personal energy at this time in your life

Bring a notebook to record the experiences you have during this workshop. Leave uplifted, inspired, and shining like the archangels themselves.
